

TowMate®

WL1280 Worklight Guide to Operations

Thank you for purchasing a TowMate Lighting System!

The WL1280 are high-intensity off-road spotlights utilizing Super-Bright CREE LED's (rated for 50,000+ hours of use) to illuminate any adventure with sheer brightness. The unit also features a fully adjustable mounting bracket providing the ability to aim it where you need it most. Boasting our TowMate lifetime warranty, you'll never need to buy another light for your truck, boat or all-terrain vehicle again.
